

Why Partner with SPP?

- **Experience** – SPP is one of the leading players in the Swedish occupational pension. They use their profound experience to create the best possible solutions for our customers.
- **International Scope** – SPP has a team of experts with a dedicated focus on global mobility and global employee benefit arrangements (Pooling, Global Underwriting & Captive programs. Knowing the specific challenges of multinational businesses today, SPP works closely with many Swedish multinationals to meet their high requirements.
- **Advice and guidance** – SPP offers tailor-made advice and support helping their clients understand and get the most out of their occupational pension, including savings solutions and risk benefits. With smart digital services, they strive to make it as easy as possible for businesses to manage pension and long-term savings.
- **Sustainability Map** – SPP's "Er Hållbarhetskarta" ("Your Sustainability Map") monitors the sustainability (social, environmental and governance factors) of a company's pension savings. Employers can use SPP's Sustainability Map to raise awareness of what an occupational pension actually contains and increase the attractiveness of the benefit the employer provides. The occupational pension is becoming an increasingly important part of the pension system and can help to accelerate the climate transition.
